Teacher retention. Trying to recruit more staff for PWCS.

Next month-budget is on the agenda

Ms. Harrison would like it brought up that big expenses (washer/dryer/dishwasher for security resident, tractor for custodians) should not be taken out of our school budget. Could the county help with those kinds of purchases?

Counseling Update

Megan Lynn:

Thank you for Kindness Week last week. Spirit Week was a big success.

Next lessons are focused on college and careers. There is a website that is used provided by the state.

Open Chair Time

Can we put a blurb about Hazel Health in the Cougar Chat?

Possibly mention the free tutoring service offered by PWCS as well?

Next Meeting
